

Social Responsibility Commitment

Autotalks is committed to highest standards of Corporate Social Responsibility (CSR).

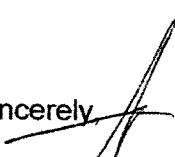

The full CSR policy is explained and distributed to all employees.

The main points are:

- Meeting Human rights by treating everyone with dignity and respect.
- Meeting Business Ethics for business Code of Conduct according to laws, regulations and our ethical standards.
- Ensuring a safe and healthy work environment for all employees.
- Compliance with environmental, health and safety (EHS) laws and regulations.
- Providing and promoting environmental responsibility by minimizing our environmental impact.
- Supporting our community.

Autotalks encourages our suppliers and contract manufacturers to adopt similar requirements in their business management process.

Sincerely

Alberto Burger

VP Operations, Quality and Reliability
